■ Welcome To Filmcity!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Filmcity family.

By purchasing your Filmcity HS-2 Follow Focus With Hard Stops, you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new Filmcity HS-2 Follow Focus With Hard Stops, we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes,

Filmcity Team

■ Introduction

Flyfilms introduces its most durable HS-2 follow focus allowing you to smoothly and accurately pull focus with cinema and DSLR lenses equipped with gear rings. Integrated into the follow focus are hard stops, letting you set start/end points on DSLR lenses for quick focus racking between two focus points

■ What's In The Box

Please inspect the contents of your shipped package to ensure you have received everything that is listed below.

HS-2 15mm follow focus

Gear Ring Belt

Speed Crank

■ Assembling

- Mount the Gear ring belt over your lens focusing ring. Tighten the gear properly.

- Mount the HS-2 follow focus on the rods, align it with the gear ring and tighten the side knobs to secure properly.

- Remove the safety cap from the shank in order to attach the drive gear.
- By removing this screw, the drive gear can be mounted on the other side.

- The white marking disc is magnetic and can be easily pulled back and placed onto the rotating knob.

**YOUR FILMCITY HS-2 FOLLOW FOCUS WITH HARD STOPS
ALL DRESSED UP AND READY TO GO!**

WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product , or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover

the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to Contact us immediately and we shall do our Best to help you out. For any other assistance you can reach us via email.
