

LED MEGA BEAM Mk3

B04395

DESCRIPTION

This outdoor RGBW LED wash projector brings the light output of LED to unprecedented levels: it's even 5 times brighter than our LED POWER BEAM! (RGBW@2m: 18300lux).

FEATURES

- This RGBW LED wash projector brings the light output of LED to unprecedented levels: it's even 5 times brighter than our LED POWER BEAM! (RGBW@2m: 18300lux)
- The unit is based on 48 high power 3W LEDs: 12 red + 12 green + 12 blue + 12 white
- The white LEDs soften the colors to obtain nice pastel colors!
- The use of LED Technology makes important energy (cost) savings possible compared to units based on halogen lamps: only 200Watt power consumption + no need for heavy dimmer packs!
- The sturdy die cast aluminium housing is IP66 waterproof which makes this unit your first choice to illuminate all kinds buildings like: hotels, shops, discotheques, public & amusement parks, fairground attractions, theaters, medium and large stages, ...
- The 400Hz LED scan rate makes it also a perfect choice in TV studios (no interferences with TV-cameras)
- Completely silent: the projector is cooled by natural air convection so no noisy fans are needed!
- Thanks to the double hanging bracket it can also be used as floor projector.
- The LED MEGA BEAM works standalone or in different DMX-modes (3, 4, 5, 6, 11ch), including RGB color mixing, color macros, custom programs, RGB calibration, strobe, dimmer, ID-address, ...)
- Menu driven LED-display with password protection.
- **NOTE: this product has IP65 rating for outdoor installation under normal conditions (not exposed to seawater).**
